# JAMSEETH IWANA

**DIPLOMA IN INFORMATION TECHNOLOGY • UI/UX DESIGN & WEB DEVELOPMENT**

+65 8258 5014 | jamseethiwana@gmail.com | LinkedIn Profile | Portfolio

## PROFILE

Year 2 Diploma in Information Technology student at Singapore Polytechnic with a strong interest in UI/UX design and web development. Experienced in user-centred design, responsive prototyping, and full-stack web projects, with a keen eye for translating user needs into clean, functional interfaces.

## TECHNICAL SKILLS

- Figma (wireframing & prototyping)
- Adobe Photoshop
- Responsive Web Design
- Canva
- HTML, CSS, JavaScript
- MySQL & database design
- REST API development & Postman
- Excel, PowerPoint, Word

## SOFT SKILLS

Communication & Collaboration • Teamwork • Problem-Solving • Adaptability • Conflict Resolution • User Empathy

## PROJECTS

**GigBoard** | Student Gig-Job Web App (Team Project) *Nov 2026*

- Built the job application and ratings feature, including logic that updates an existing rating on repeat collaborations, integrating work with teammates through Git and a CI/CD workflow.

**"iwana" Portfolio Website** | Web & Visual Design (Adobe Photoshop) *Aug 2026*

- Designed a personal portfolio site in Photoshop with a "Botanical Editorial" visual direction, crafting a cohesive layout, type and colour system. Achieved an A.

**Charles & Keith Digital Poster Campaign** | Branding & Visual Design *May 2026*

- Designed a "Timeless Loyalty" poster in Photoshop using branding, typography, colour theory and photo manipulation (B+).

**Eco-Cadets Website** | Full-Stack Sustainability Platform *Jan 2026*

- Developed a full-stack platform for tracking eco-friendly activities, with a gamification system (points, badges, challenges).
- Built RESTful APIs with full CRUD operations on a MySQL database, testing endpoints in Postman.

**Cognify App** | AI Study Planner (Figma Wireframes) *Nov 2025*

- Designed annotated Figma wireframes for an AI study planner, including a Google/Apple sign-in flow and a colour-coded calendar dashboard.

**YouthRise Website** | Youth Empowerment Platform *Aug 2025*

- Designed and built a responsive HTML, CSS and JavaScript site using user-centred design, simplifying navigation to guide visitors toward key actions like "Join Community."

## WORK EXPERIENCE

**Freelance Web Development Assistant** | Tutor4Me.sg (Remote) *Dec 2024 – Present*

- Assisted in website development using PHP and WordPress; supported WhatsApp API integration features.

**Retail Assistant (Customer Service)** | BHG *Jan 2025 – Feb 2025*

- Assisted customers with enquiries and purchases in a fast-paced retail environment, gaining insight into user needs.

## LEADERSHIP, CCAs & VOLUNTEERING

**Class Chairperson** | Singapore Polytechnic *2025*

- Coordinated communication between lecturers and classmates and managed class matters, building leadership skills.

**English Drama Club, EXCO** | Bendemeer Secondary School *2023 – 2024*

- Coordinated costume management for SYF productions under tight deadlines, building teamwork and creativity.

**Publicity & Event Management** | Global Youth Leadership Development Council (GYLDC) *Jul 2026 – Present*

- Created promotional materials, coordinated event communications, and supported the planning and execution of community events and youth engagement initiatives.

**Community Engagement Volunteer** | Health Promotion Board (HPB) *Sep 2026 – Present*

- Engaged hawkers and members of the public for a healthier food options campaign, promoting healthier eating habits and community participation.

## EDUCATION

**Diploma in Information Technology** | Singapore Polytechnic *2025 – 2028*

- Coursework: Design for User Interaction, Front-End & Backend Web Development, Database Systems, Secure Coding.

**GCE O-Level Certification** *Jan 2021 – Nov 2024*

## CERTIFICATIONS

- JavaScript for Web Designers, Bootstrap 5 (LinkedIn Learning) • Google Ads for Beginners (Coursera)
